## Apartment Zittera - Schneeberggasse

Welcome to our apartments in the alpine city of Innsbruck.

All of our flats are equipped with free wifi and a large, private terrace where you can admire the stunning mountain beauty surrounding the alpine capital.

The apartments are very central, just a 15 minute walk from the city centre. There is also a bus stop a short walk away (approx. 100 m) which gives you access to the city's public transport.
